We Want Your Stamps

There is a collection box in the church entrance for USED STAMPS. The stamp collecting will benefit THE BONE CANCER RESEARCH TRUST, who can get up to £20 for every kilogram of stamps.

There are some tips for used stamp gathering beside the box in the foyer, but as a quick guide –

- Try to have about a finger-width (1cm) of paper around each stamp.
- Modern stamps (after 2008) are more valuable than older ones.
- Foreign stamps are welcome too.
